

First Scientific Meeting of Mathematics and Applications (SMMA24)

University of Beira Interior, Covilhã (Portugal), 26 September 2024

The scientific meeting is dedicated to delving into the recent advancements in several areas of mathematics, including Mathematical Analysis, Algebra, Topology, Statistics, Probability, and its applications. The aim is to promote an interactive environment, encouraging participants to actively engage in discussions, discuss possible synergies between researchers, and explore the possible applications and consequences of the advances presented.

Invited Speakers:

Feliz Manuel Barrão Minhós
Fernando Manuel Lucas Carapau
Manuel Baptista Branco
Carlos Correia Ramos
Mourad Bezzeghoud

Contributed Talk:

Bruno Miguel Antunes Dinis
João Miguel Cardoso Dias
Luís Bandeira

Organisers: Alberto Simões, Ana Carapito, Célia Nunes, Ilda Inácio
